

AGENDA

Conference Day ONE - Tuesday, 29 October 2019

0800 - 0855 Delegate Registration and Morning Coffee
0855 - 0900 Organizer Remarks
Morning Session Chairman:
0900 - 0930 Government Keynote Speeches 2019-2020-2030, Updates on Wind Power Development in Vietnam, √ The total wind power capacity will reach about 1,000 MW by 2020 and 6,200 MW by 2030. √ Vietnamese government aims to produce 10.7% of electricity from renewable sources by 2030. Nguyen Ninh Hai, Head of Renewable Energy Department, EREA(MoIT) (Invited)
0930 - 1000 A bankable power purchase agreement (PPA) is the foundation of successful onshore, nearshore and offshore wind markets Do Duc Quan, Deputy Head, the MoIT's Electricity and Renewable Energy Authority
1000 - 1030 Technical view, Current Development Status of onshore and offshore wind based power in Vietnam √ Challenges from transmission lines and substations Nguyen Quang Minh, Deputy Director, Power system Dept. EREA(MoIT)
1030 - 1100 Coffee Break
1100 - 1130 Financial supports for energy development in Vietnam Dr. Le Thi Thuy Van, Division Director, National Institute for Finance, Ministry of Finance (MOF)
1130 - 1200 Investment Incentives Framework for Wind Energy Development in Vietnam Today Mr. Kenneth W. Wentzel, Chairman, Enertech International, Inc.
1200 - 1300 Panel Discussion: Access to Finance in Vietnam, Financing Methods for onshore, near and offshore wind projects and other supporting mechanisms ● Project financing, insurability and bankability from Leaders' Perspective ● Evaluating the roles of private equity funds in developing renewable projects ● The way to get access of local loan for renewable power project financing in Vietnam ● Exploring practical financing options for onshore and offshore wind development ● Mitigating financial risks of wind farms from Bank's perspective ● Legal, tax, tariff and regulatory framework to spur IPP participation Tuan Anh PHUNG, Managing Partner, VCI Legal Edgare Kerkwijk, Managing Director, Asia Green Capital Brian Churchill, White House Fellow, OVERSEAS PRIVATE INVESTMENT CORPORATION Do Thi Thu Ha, Senior Partner, KPMG Vo Phung Thuan, CEO, THUAN BINH WIND POWER JV COMPANY Baoqing Miao, Director, Voltiq BV Marubeni Panel moderator: Brian Churchill, White House Fellow, OVERSEAS PRIVATE INVESTMENT CORPORATION
1300 - 1400 Delegate Lunch
Afternoon Session Chairman:
1400 - 1430 Onshore and Offshore Wind Investment speech title Reserved by Alfanar Group, Kingdom of Saudi Arabia (KSA)

AGENDA

<p>1430 - 1500</p> <p>Developing power value chain in Vietnam to create added value to the economy Nguyen Tuan Tung, General Director, EVNNPT</p>
<p>1500 - 1530</p> <p>Discover what turbine technology choices have been made for upcoming projects in Vietnam ? Speaker TBA</p>
<p>1530 - 1630</p> <p>Panel Discussion: The Lender's Mindset: Who Will Finance Projects and How?</p> <ul style="list-style-type: none"> ● Examining Vietnam's wind power infrastructure landscape ● The power project financing landscape and key financial strategies for success ● Renewable power plant financing and instruments ● What are investors are looking for in your projects ? ● Government's role to play to project financing ● Evaluating the current power price and feed-in tariff for renewable ● Who will finance Vietnam offshore wind projects and how? ● Will debt markets be supportive to provide the billions of dollars of debt financing required for projects ? ● How to find the right balance between regulatory support and regulatory risk to ensure projects get done? ● What is the perception and appetite amongst lenders for risk associated with policy, supply chain, construction, permitting, technology and market capacity ? <p>Peter Bird, Senior Advisor, Rothschild Global Advisory (invited) Edward Douglas, Partner, Armstrong Asset Management Gilles Beau, Chief Development Officer, The Blue Circle Thomas Jakobsen, Director, Indochina Energy Partners Pte.Ltd, a part of the Norsk Vind group Do Van Dien, Chairman and CEO, TVS Investment JSC Logan Knox, CEO, UPC Renewables Vietnam Daniel MALLO, Managing Director - Head of Energy, Infrastructure and Metals & Mining, Asia Pacific, Societe Generale Moderator: Stefan Robertsson, Principal, The Lantau Group</p>
<p>1630 - 1700 Coffee Break</p>
<p>1700 - 1730</p> <p>Vietnam has exceptional offshore and near-coast wind opportunities the World Bank</p>
<p>1730 - 1800</p> <p>The important of environmental and social impact assessment in energy projects Pham Thanh Nam, Senior Social and Environmental Expert</p>
<p>1800-2000 Welcome Cocktail Party</p>

Conference Day TWO - Wednesday, 30 October 2019

<p>0830 - 0900 Registration and Morning Coffee</p>
<p>Morning Session Chairman:</p>
<p>0900 - 0930</p> <p>What kind of support mechanisms and feed-in tariffs would work best in the long term Nguyen Hoang Dung, Head of Renewable Energy Department, EVN PECC3</p>
<p>0930 - 1000</p> <p>Floating wind turbines √How will wind turbine models evolve to adapt to Vietnam specific resources Speaker TBA</p>
<p>1000 - 1030</p> <p>Vessel support, foundation design, foundations roadmap, construction related title Speaker TBA</p>
<p>1030 - 1100 Coffee Break</p>

AGENDA

<p>1100 - 1130 How can developers utilize shared resources, transmission and supply chain to improve installation, operational performance and value ? √ Integrated high-tech solutions in the fields of installation, Construction and O&M Speaker TBA</p>
<p>1130 - 1200 Site Assessment ,Construction and Operations related title Speaker TBA</p>
<p>1200 - 1300 Challenges of building wind farm before November of 2021 Gilles Beau,Chief Development Officer,The Blue Circle</p>
<p>1300 - 1400 Delegate Lunch</p>
<p>1400 - 1430 Understand what developers require in terms of a supply chain, likely project timelines and when you involve in. √What are the near-term marine logistics solutions and vessel capabilities required to install the first projects √ Vessel & Installation Requirements √ Transmission And Ports Infrastructure Development Speaker TBA</p>
<p>1430 - 1500 The permitting process,individual permits, agreements or licences for utility scale windfarms √ The approval process, complex and cumbersome ? Tuan Anh PHUNG, Managing Partner, VCI Legal</p>
<p>1500 - 1530 Grid connectivity,grid capacity for wind projects √weak grid system issue EVNCPC-EMEC</p>
<p>1530 - 1600 Coffee Break</p>
<p>1600-1700 Panel Discussion: Project Updates And Pipeline √ Regulations, Policy Support & Incentives For Businesses √ Master plan and province plans of developing the wind sector √ Providing further guidelines and a better definition of ‘ onshore’ , ‘ nearshore’ and ‘ offshore’ wind power projects √ Manpower training for future power plant operation and maintenance Invited panelist from Enterprize Energy, Vietnam Renewable Energy JSC,Trungnam Wind Power,Cong Ly Construction-Trade-Tourism Ltd,CP Super Wind Energy, HBRE Wind Power Solution, Central wind power JSC,Climate Investor One and Samtan,TTC-Mekong Wind JSC, Super Energy Corporation,PV Power - IMPSA,Saigon-Binh Thuan power investment JSC Gilles Beau,Chief Development Officer,The Blue Circle Do Van Dien, Chairman and CEO, TVS Investment JSC Thomas Jakobsen,Director,Indochina Energy Partners Pte.Ltd,a part of the Norsk Vind group Moderator: TBA</p>
<p>1700 End of Summit</p>
